LEARNINGEXPRESS LIBRARY

**Step 1:** Access the Registration page for the LearningExpress Library.

**Step 2:** Complete the Registration process by completing the required areas and clicking Create Account.

Your Username will be your email address entered. Please remember your password entered, WT cannot reset this password for you.

**Step 3:** Access the Computer Skills Center area. Select the area of skills you would like to view.
Step 4: Select the software to get help with from the menu on the left.

Step 5: Click Launch to open the training. Please remember to turn off any popup blockers before clicking Launch.

The course will open up with a video containing the material that was provided by the course information.

You may skip directly to the area of the video you are interested in by selecting it from the Sections area on the left side of the screen.
