

TURNITIN ASSIGNMENT "UPLOADING..."

If you attempt to submit to a Turnitin assignment via Safari on macOS you may experience issues such as the file never uploading or getting stuck on the loading screen.

Turnitin has provided the following advice on how to get your papers to submit:

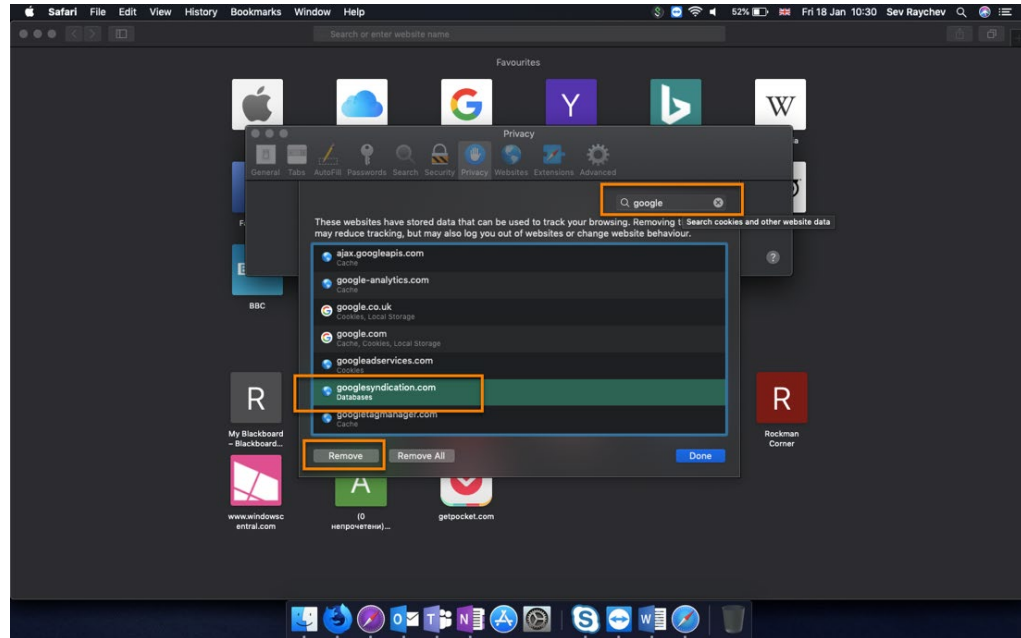

1. Go to the Safari Preferences

2. Select the Privacy tab and select the Manage Website Data button.

3. Look for and remove the three cached websites below:
 - a. googlesyndication.com
 - b. googleservices.com
 - c. turnitin.com

4. Close and reopen Safari.
5. Try submitting again.
